OUR NEW EXPANDED BUTCHERY RANGE INSIDE - FEATURING ALL YOUR FAVOURITE HALL'S PRODUCTS

# Welcome

to our NEW LOOK Lomond - The Wholesale Food Company 2018 product brochure. Our 20th anniversary year has been more eventful than we imagined, our acquisition of Hall's Direct and the expanded product range that came with it, has been a great boost and will allow us to continue offering you a fantastic range of products - including our expanded butchery section on pages 29-33

To highlight how diverse our product range is, we came up with Taste Creations - our name for recipes and serving suggestions primarily using products from our brochure. Keep your eyes peeled for the Taste Creations symbol - wherever you see it you'll find some great ideas to keep your business innovative and on trend. We ran a Staff competition to find the best Taste Creation from the team, Stacey (from our Accounts department) won with her delicious Mezze Platter, which can be found on page 47. We think this recipe really shows the wide range of products we have available and how you can combine them to make something really outstanding. Well done Stacey!

Some other ideas include our chicken recipes on page 18, showing how, just by changing a few ingredients, you can turn chicken wings or drumsticks into 3 completely different meals. We hope this inspires you to invent your own Taste Creations to surprise and delight your customers.

To keep your customers even happier, we have been working hard on a range of food to go sandwiches and baguettes. These all come with their own POS, nutritional information and 'how-to' guides, meaning anyone can pick this up and create a tasty, filled sandwich in no time at all. The Most Wanted and Eat the World ranges are on pages 6 & 7 and are available now, helping you become more innovative with your food to go options. Keep a look out for seasonal offerings throughout the year.

We also wanted to make you aware of our Product Showcase days which we run every month in our Glasgow depot. These days offer our customers a chance to find out a bit more about us while sampling our food to go range and soups, meet other businesses who may have interesting tips and knowledge to share, as well as meeting the telesales team and seeing how our depot operates. You can speak to your rep or call the office to discuss attending one of these days and how doing so can have a positive impact on your business.

Last year's Taste @ Lomond Trade Show was such a massive success that we have decided to run it again this year on the 16th & 17th of May. We welcome you all to our depot to meet our suppliers, try some products and meet the team. Your invite is included with this brochure but please contact your rep should you need any further information. We are all looking forward to meeting you at the show!

As always, we have our handy guides, as well as allergy information and contact details for our reps and office. We hope these guides are of use in the coming year and we welcome any product queries you may have. We hold readily available allergy information on all of our products and pride ourselves on making this information available to you and your customers.

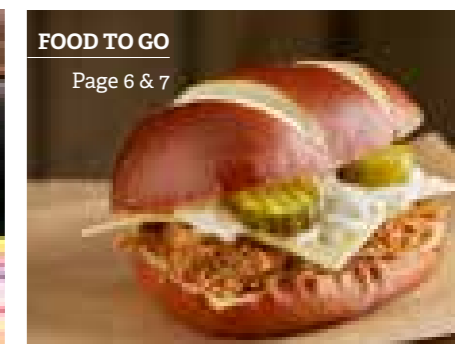

As always, we welcome any feedback, comments or queries you may have. You can find our contact details on page 86. We wanted to take this opportunity to wish our customers all the best for 2018. We hope you enjoy the new look brochure and new features.

# 3 WAYS WITH CHICKEN WINGS

These chicken recipes are simple and quick to make and still pack in heaps of flavour.

We recommend using chicken on the bone (thighs, wings or drumsticks) for the most flavour. They will work equally well using boneless cuts or breast meat as fillings for wraps and sandwiches. You could even use our pre-cooked poultry from page 26 in place of raw chicken.

Now choose your flavours...

## TOP TIP

To make your chicken extra tender, boil portions for 15 mins in a pan of slightly salted water. Drain and place on kitchen paper to absorb excess liquid.

# Bloors Quality Hams

— Since 1904 —

Four generations of the Bloor family have been producing high quality hams in Leicestershire for over 100 years.

## THE KETTLE RANGE

The kettle range of hams are cooked using the authentic, traditional method of cooking in open water. The still water seals the hams as they are delicately simmered, giving them a superb taste and texture profile creating a flavour of the past. The range includes bone-in easy carve and boneless hams all of which can be honeyglazed or smoked.

## THE FESTIVE ROAST

The Roast Festive range was created by David Bloor in the 1960's. It's a genuine roasted ham that is matured for several days in tanks of brine with demerara sugar and salts to give a unique roast with a succulent rich flavour. It is a popular and appealing Deli-style product that can also be sliced.

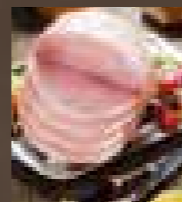

## THE WILTSHIRE CURE RANGE

Expertly boned out by our own team the legs are matured in our authentic live brine for a minimum of 3 days then air dried to allow the flavours to fully develop as the hams mature. They are then matured further before being gently slow-cooked to create a succulent, traditional Wiltshire ham.

## THE TRADITIONAL GAMMON RANGE

Our Gammon range of hams are based on a recipe of over 40 years. The legs are expertly boned out to a high internal specification before being cured, gently tumbled and matured to give a lean, full muscle, Deli-style product or slicing gammon with a delicious gammon flavour.

## SLICING RANGE

We use the very latest in scanning and slicing equipment for portion control, combined with specialist nets and casings we provide lean evenly faced sliced packets from whole or formed logs. Slicing log joints can also be ordered whole, half or bespoke cut in the normal manner.

*Tradition. Craftsmanship. Quality.*

Our cooked poultry section includes chicken fillets - both chilled and frozen, diced and sliced chicken. Our cooked flavoured chicken takes the fuss out of preparing a range of flavours - including tasty Chicken Tikka and Mexican Chicken varieties.

These are ideal for use as sandwich fillings, adding to salads or mixing with pasta or rice for a quick and easy main meal.

## SLOW COOKED

# BEEF CHILLI

This recipe uses beef chunks instead of the traditional beef mince, we think this creates a dish with more bite and a lovely taste but feel free to use beef mince or turkey mince.

Our chilli can be cooked overnight in a slow cooker, or for 2 hours in the oven at 180°C.

### Chilli Ingredients

400g Beef Chunks (57883)	2 tsp chilli powder (69845)
200g Sliced onion (61480)	2 tsp coriander (38984)
1 tsp garlic paste (51251)	400g kidney beans (60930)
2 tsp cumin (18318)	400g chopped tomatoes (23818)

### Method

- Add oil to a hot pan and cook beef chunks on all sides until browned then remove from the pan.
- Fry onion on a low heat until softened. Add garlic paste, cumin, chilli and coriander powders to pan with a splash of water.
- Drain kidney beans and add to pan with chopped tomatoes.
- Stir well and add meat back into pan with other ingredients and bring to a simmer. Transfer ingredients into an oven-proof dish and cook, covered, for 2 hrs or until beef is tender.
- If using slow cooker - brown the beef then add all ingredients to slow cooker, cover and cook on low for 8 hours or high for 4 hours.

### TOP TIP

STEW OR PIE - Just remove the cumin, chilli and coriander. Add in mixed herbs and pre-made gravy (42512) to turn this recipe into a stew or top with a puff or filo pastry lid to transform into a tasty pie.

## HERB CRUSTED

# PORK CHOPS WITH CRANBERRY RICE

This is a great way to add extra flavour to the traditional pork chop. Serving this with cranberry rice adds a bit of sweetness to the overall dish, however, you can serve this with potatoes and greens or slice and serve in a wrap or roll.

### Ingredients (2 servings)

2 Pork Chops (74091)	2 tsp Cumin (18318)
2 tsp Turmeric (12040)	1/2 tsp Cinnamon (58002)
2 tsp garlic paste (51251)	Pinch of Sea salt (51255)
	1 tsp Ginger powder (20617)

**For rice-** Handful of chopped cranberries (27838)  
200g Cooked rice (18008)

**To finish -** Drizzle of balsamic glaze (59967 / lemon juice (40452)

### Method

- Add the lamb to a bowl and rub with olive oil and garlic puree.
- Combine all the dry ingredients together and rub into the chops.
- Space the chops out on a baking tray and bake in a 180°C preheated oven for around 20 mins.
- Serve with rice mixed with chopped cranberries and drizzle with balsamic glaze or splash some lemon juice over the completed dish.

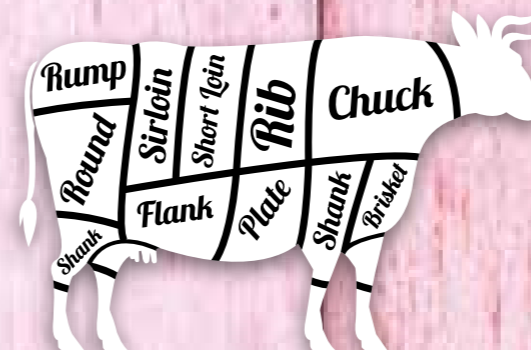

### TOP TIP

You can also griddle the chops before putting in the oven - cook on each side, high heat for around 5 mins until browned and griddle marks are visible, finish off in oven for 15 mins.

# BUTCHERY & POULTRY

Thanks to our recent acquisition of Hall's Direct, we are now able to offer you an expanded choice of butchery and poultry. We have a wide range of cuts available, from fillet steak to French trimmed lamb, pork chops to venison and many many more.

Our beef burgers are also extremely popular and are a great addition to your menu - see the following pages to find out how to jazz up your burgers and wow your customers. We also have seasonal products available, please talk to your rep for any further information you require about our range.

# TASTE CREATIONS BURGER BONANZA

By changing only a few ingredients and pairing with our wide range of buns, it's possible to create some really outstanding burger varieties.

All of these serving suggestions start with cooking your burger as normal, then following the directions below. Use these as a guide to add weekly specials, or create your own options using our wide range of cheese, breads and pulled meats.

We suggest using our Steakhouse burger (69469) or you can use our pre-cooked burgers from page 23.

## BLUE CHEESE & ONION

Great with our Pretzel Burger Bun (52510). Crumble some Dunsyre Blue (73610) or Strathdon Blue Cheese (35200) over your cooked patty. Place under a medium grill, microwave for a minute or two, or add to hot plate, cover and cook until melted.

While cheese is melting add sliced tomatoes and lettuce to the base of the bun. Add the patty and melted cheese. Top with a spoonful of Caramelised Onions (61191). Add top of bun and serve.

## ITALIAN STYLE BURGER

Great when paired with our Gourmet Brioche Burger Bun (82197) or Gluten Free Brioche Bun (74089). Slice some Mozzarella (75661) or use our Sliced option (17284), top your cooked patty, cook as before, until melted.

While cheese is melting, add sliced tomatoes and lettuce to base of the bun. Add patty and melted cheese. Top with a spoonful of pesto (87333) and handful of rocket leaves. Add top of bun and serve.

## SWISS CHEESE & EGG BURGER

Perfect with our NEW Doughnut Burger Bun (68689). Melt a slice of our Emmental Cheese (45556) over a cooked patty. While cheese is melting, fry an egg (21110) until white is set and yolk is still runny.

Add slices of tomato and lettuce to the base of the bun. Add patty with melted cheese to the bun. Top with the fried egg, slices of crispy bacon (88425) and top half of bun.

**A** variety of seafood products to help you create a wide range of options on your menu.

Our prawns are perfect as part of a seafood linguine, smoked salmon makes a delicious addition to a seafood platter, or you could opt for a traditional fillet of battered cod to serve with chips and mushy peas. SPICED WARM

## Prawn Cocktail

Cooking the prawns with spices and serving warm, gives this dish a lovely modern twist. Just as yummy when served cold, you could add to a wrap with some leaves, grilled halloumi or crumbled feta for a delicious 'grab and go' lunch.

### Ingredients (2 servings)

200g King prawns (27608)  
2 tsp Turmeric (12040)  
2 tsp Garlic Powder (52801)  
1 tsp Ground coriander (38984)  
1 tsp Ground Cumin (18318)  
1 tsp Mild Chilli powder (69845)

4 slices Toasted bread - ideal with Rectangular Focaccia (49525), malted bloomer (86880) or white bloomer (13066).

### Method

Add prawns to heated, oiled pan along with spices. Cook until prawns are pink all over with no more grey visible.

You should add a little splash of water now and again to prevent the spices from burning, also, the left over liquid will be added to the Marie-rose sauce when serving.

Once prawns are cooked, remove with a slotted spoon and add to a bowl. Mix ketchup and mayonnaise with prawns and add in the spiced oil from cooking. Combine well and season to taste.

# Stacey's MEZZE PLATTER

Earlier this year we launched our first ever, Lomond-wide, Taste Creation staff competition, giving our staff the chance to have their recipe featured in this very brochure.

We had some incredibly creative recipes to choose from and this winning Mezze Platter was our stand-out 1st prize winner. Stacey, from our accounts department, has taken some delicious individual elements and combined them together to create a fun and exciting platter to share. We hope you find this winning Taste Creation inspiring and have a go at creating something similar for your customers.

# LOADED FRIES

Beef up your standard 'side of chips' by trying these serving suggestions.

These are an ideal way to offer your customers add-ons or a more filling side dish. We suggest using skinny fries, but we have a wide range of wedges, sweet potato fries and chunky chips which would also work well. Have a look at page 61 and pick your favourite.

## BACON WITH EVERYTHING

Try making this on-trend and ultra-savoury alternative to standard mayo. Just finely chop some crispy bacon slices, mix into some mayo and add a squirt of tomato ketchup, salt & pepper. Ideal for all you bacon-lovers!

## ITALIAN STYLE LOADED FRIES

- Fry some slices of Milano Salami (63451) until crispy.
- Remove the Salami from the pan and add a serving of cooked fries.
- Stir through a spoonful of Pesto (87333) and slices of Mozzarella (80220) until mozzarella has melted.
- Serve in a bowl with a handful of rocket leaves and some cherry tomatoes, topped with the crispy salami.

## 'BREAKFAST' LOADED FRIES

- Plate up a serving of fries and crumble over some chopped Crispy Bacon (88425).
- Spoon some Salsa (48379) around the outside of the dish.
- Fry an egg until white is cooked and yolk is still runny and add to the middle of the fries.
- Sprinkle with chives or mixed herbs.

# BREADS

Our bread section is always growing and we have a wonderfully varied selection of fully baked, part baked and speciality breads available. We work closely with our suppliers, Planete Pain, Jacksons, Kara Fletchers and Speciality Breads to offer you a range of top quality and on-trend breads.

Our favourites include the Pretzel Burger bun and Gluten Free Brioche Rolls - ideal for a distinctive burger or sandwich special. Our Arctic Soft Thin Bread features in the Hot Falafel from our Eat the World sandwich range - you can find out more about the range on page 6.

# CRISPS & CONFECTIONERY

**O**ur range of crisps, sweets and treats is ideal for boosting your impulse sales, we stock a great range of crisps from Mackies and Golden Wonder, including Haggis & Cracked Black Pepper, Mature Cheddar & Onion and classics such as Ready Salted and Salt & Vinegar.

We also supply a range of Tunnocks products including the Caramel Log, Caramel Wafers and classic Tunnock's Teacakes.

# NACHOS

Nachos are great for any time of day – ideal as a lunchtime snack, with larger portions as a sharing starter or a late-night meal. You can also offer these as a side to some of our delicious burger ideas (page 30), or add to a sharing platter instead of wedges or fries.

We have three varieties on show here, but the possibilities are endless; you could use any combination of our pulled meats, cheeses and other toppings to create your own versions of these delicious and easy recipes.

**ALL THESE RECIPES START WITH FILLING YOUR PLATE WITH TORTILLA CHIPS (66289)**

## CHILLI & CHEESE

### CLASSIC NACHO COMBO

- Arrange the Tortilla Chips around the edge of your plate with a gap in the middle
- Fill the middle with chilli (you could use our Taste Creation Chilli from page 28).
- Alternate spoonfuls of Salsa (48379) and Guacamole (38016) around the edge of the nachos
- Top with grated cheese (we like mature white cheddar (42773), but choose any variety you like) and heat in the microwave or under the grill until cheese melts
- Finish with a few Jalapeño Slices (22853) and sprinkle with chopped coriander

## BBQ PORK NACHOS

### OUR SPIN ON A CLASSIC

- Fill a bowl or plate with Tortilla Chips.
- Top with a few spoonfuls of BBQ Pulled Pork (16270) and cover in a drizzle of Hickory Smoked BBQ sauce (46739).
- Top with a few Sliced Gherkins (63218) and thinly sliced red onion.
- Top with your choice of grated cheese and either microwave or grill for a few minutes until cheese has melted and the pork has warmed through.

## PULLED SOUTHERN CHICKEN NACHOS

### OUR SPIN ON A CLASSIC

- Fill a bowl or plate with Tortilla Chips
- Top with a few spoonfuls of Pulled Southern Fried Chicken (66670)
- Add spoonfuls of Salsa (48379) and some chopped spring onions
- Top with your choice of grated cheese and either microwave or grill for a few minutes until cheese has melted and chicken has warmed through

# TASTE@LOMOND

16th & 17th  
May 2018

Last year we hosted our first trade show at our depot in Glasgow, to celebrate our 20th year.

During the show we had over 40 suppliers, showcasing the best products we have available; including award winning butchery, fantastic Scottish ice-cream and tasty sandwich fillings. The reaction from customers was overwhelmingly positive and, as a result, we are hosting another trade show this year.

Taste @ Lomond 2018 will take place on the 16th and 17th of May. You are invited to spend the day with us - meet our wonderful suppliers, try some samples of delicious food and drink, and find out what new, on-trend products are out there. Your invitation is included with this brochure; please contact your rep if you have not received one or need any more info. We look forward to seeing you in May!

# PRODUCT SHOWCASE DAYS

We hold 2 Product Showcase Days every month from our Glasgow depot.

The days are focussed on our customers and allow businesses from many backgrounds to come together and share ideas, knowledge, tips and tricks - all whilst sampling some of our delicious food to go sandwich concepts, fresh soups and new Cake products.

You'll get the chance to meet your telesales advisor, tour the warehouse and meet the rest of the staff who ensure Lomond runs smoothly. Your rep can transport you to and from our Glasgow depot so you can relax, enjoy a glass of fizz and take advantage of a food-filled and engaging afternoon.

If there are any specific products you would like to try, we can provide samples for tasting on the day (and some to take home).

Our Product Showcase Days usually run across the last Tuesday & Wednesday of each month. If you would like to attend, please speak to your rep or contact Nikki Kerrigan or Craig Colgin-Aitken for more information on availability. Our team look forward to hosting you over the coming year.
