As well as the main event we've also included a variety of sides and accompaniments to complete any festive spread.

Our bakery, Cake, has been busy working on some new festive treats - take a look at pages 33 & 34 to see our new Chocolate Orange loaf cake, also available in a mini version. Back again this year by popular demand are our Rudolph Shortbread Biscuits and Mince Pie Slice.

SPICED MAPLE GAMMON GLAZE

You will need...

100ml Maple Syrup - 51774

100g Demerara Sugar - 82470

A Pinch Of Crushed Chillies - 85296

2 tsp Mustard - 38590

1/2 tsp Cinnamon - 58002

20 - 30 Cloves

How to...

To start, weigh the meat to calculate cooking time. Roast gammon cooking time is generally 20 minutes per 450g, plus an added 20 minutes. Put the meat in a large pan, cover with cold water and bring to the boil, adding any flavourings you wish (cinnamon, bay, peppercorns, coriander seeds and onion all work well). Boil for half the calculated cooking time, periodically skimming and discarding any white froth that rises to the surface. Drain, reserving the stock if you like, and leave to cool a little. Remove the top layer of skin, leaving a thin layer of fat around the meat.

Put the glaze ingredients in a small pan and gently heat until the sugar has melted. Simmer for a minute. Pour half the glaze all over the ham, cook for 15 minutes, then pour over the rest and return to the oven for the remaining cooking time, spooning the glaze from the tray back over a few times as it bakes. Turn the tin around a few times during cooking so the fat colours evenly to a dark golden brown. Remove from the oven and leave to rest for an hour before carving. You can cool and chill the ham and it will keep, covered in the fridge, for 2 days.

Merry Christmas!
